### PROFESSIONAL EXPERIENCE

**Developer and Maintainer of Church Website, Nairobi South SDA Church** **Jan 2025 — Present**  
Nairobi, Kenya

As a Developer and Website Maintainer at Nairobi South SDA Church, I actively support the site's operation and enhancement using Laravel, Tailwind CSS, and MySQL. My work focuses on improving functionality and user experience to strengthen the church's online community presence. This role has sharpened my web development skills and passion for impactful technology solutions.

- Update website content regularly to keep event details and announcements current and accurate.
- Debug and fix issues like broken links or database glitches to ensure a reliable user experience.
- Enhance site features and design with Laravel and Tailwind CSS for better navigation and aesthetics.
- Manage MySQL databases, optimizing queries for efficient data handling and performance.
- Work with church staff to turn their needs into practical tech solutions, prioritizing user satisfaction.

**Service based Learning, Motherly Care Children's Home** **Aug 2025 — Dec 2025**  
Ruai, Nairobi

Supported daily activities at the children's home through hands-on help, learning support, and general upkeep of the centre.

- Helped with meal serving, and general supervision.
- Assisted children with homework, revision, and basic learning tasks.
- Organized games and other recreational activities.
- Organized and supervised cleaning, tidying, and upkeep of the compound.
- Assisted staff with small tasks to keep daily operations running smoothly.
- Contributed to a positive, supportive environment for the kids.

**Assessment Reports for Insurance Claims, Coaches Auto** **Jul 2023 — Nov 2023**  
Nairobi

- Generated comprehensive insurance claims reports by conducting thorough assessments of vehicle damage.
- Collaborated with insurance adjusters to ensure accurate claim evaluations and settlements.
